Patent Application  
NO. 201430221391.0  
NO. 201420329816.4  
NO. 201430191164.8

1

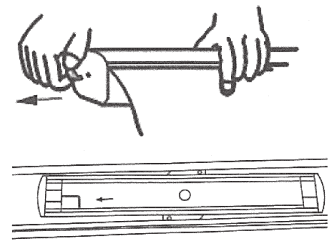

Rotate the cover of the clamp top trim, insert the top of the graphic into the clamp top trim, and then close the cover. Ensure the graphic is securely attached.

2

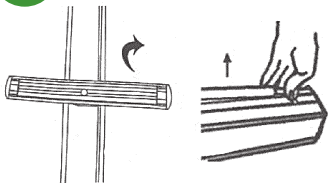

Attach the bottom of the graphic to the tape strip on the leader material. Be sure to reinforce the connection with extra tape on both sides.

3

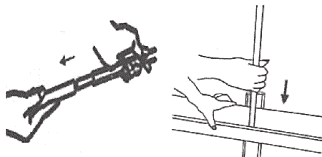

While holding the graphic firmly, remove the locking key from the end plate. Allow the graphic to slowly retract into the base. Place the key into the plastic trim of feet.

4

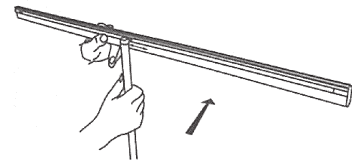

Rotate stable feet 90° and remove the pole from the banner stand base.

5

Connect pole sections together and insert pole into the hole on the base.

6

Roll the graphic up completely and insert pole into the clamp while rotating the top trim a little towards the pole.

**Warning:** Keep key lock in place during graphic installation. Maintain tight hold on graphic when removing the key.
